

## **Advertisement for Student Internship**

CSIR-AMPRI Bhopal is inviting application from students pursuing M. Sc (Chemistry) or B. Tech (Chemical Engineering) in the on-going SERB-DST project titled “*Morphology controlled copper sulphide decorated with graphene sheets as an electrode material for Na-ion capacitor in aqueous and non-aqueous electrolytes*” for Student Internship. The duration of internship will be two months (in between May - July 2019) and Rs. 5000 per month will be paid to trainee. The trainee position will be temporary in the on-going project. CSIR-AMPRI will not provide hostel facility to student trainee.

Interested candidates are requested to send their updated biodata to Dr. Surender Kumar PI of project through email ([surender@ampri.res.in](mailto:surender@ampri.res.in)) before 3<sup>rd</sup> May 2019. Only one trainee will be selected based on biodata of the candidate. Selected candidate may have to provide NOC from their head of department.
