Advertisement for Research Associate III

Date: 17-06-2022

Applications are invited for a Research Associate III in enzymatic catalysis for organic synthetic transformations, to work under the supervision of Dr. Priyanka Bajaj for a period of up to 12 months. The project involves developing enzymatic catalysts and enabling the small chemical transformations.

No. of Vacancy: One

Essential Qualifications:

The candidate should have a strong interest in understanding enzymes and biocatalysis and have a PhD degree or M.Tech/M.Pharm with 3 or more years of experience; in Molecular Biology (PCR/Cloning)/Biochemistry/Bio-catalysis/Synthetic Chemistry/Chemical Biology prior to taking up the appointment. Experience in organic synthesis and enzymatic catalysis will be preferred.

Salary: 54000/- per month consolidated (as per DST norms)

How to Apply:

A detailed resume including applicant's personal details with photograph, educational background, statement of purpose, recommendation of two referees amongst which one should be your immediate supervisor at PhD/Masters or at workplace, and copy of all credentials should be submitted by email (pbajaj.04@niperhyd.ac.in). Incomplete application will not be considered.

Last date of receiving applications is 8th July, 2022.

Interview date: Interviews will be held as soon as possible thereafter.

Note: Only shortlisted candidates will be intimated to appear for an interview (Online or Offline); no TA/DA will be paid for attending the same.
