

SELECTION FOR POSITIONS IN SIC
FOR IIT HYDERABAD

This announcement is being released for the post of **Rural Innovator (1)** on a contract basis, for Suzuki Innovation Center (SIC) at IIT Hyderabad. Shortlisting will be based on an online application followed by an online interview for the screened-in candidates. The selected candidate is required to physically report to the office on the IITH campus daily to execute the duties. The position will also require travel to various locations in India. All terms and conditions of the selection and employment will be governed by IIT Hyderabad.

About SIC: Indian Institute of Technology Hyderabad (IITH) and Suzuki Motor Corporation (SMC), Japan, which is the parent company of the biggest automaker in India, started Suzuki Innovation Centre (SIC) on the IITH campus with the vision of “creating innovations for India and Japan” by way of providing a platform for the exchange of knowledge between the two organizations. SIC will be operated as a platform for open innovation among Industries, Academia, and Startups. The Centre will also support skill development and the exchange of human resources between India and Japan.
